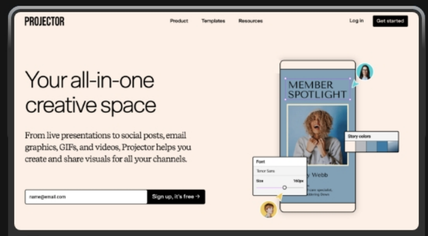
@Sharne_Artist

"If you want to be a better designer, don't study design books. Study sculpture. Study paintings. Study cars, watches, philosophers, movies, fiction, music, people. Study the world."

-@vanschneider – "Dear young designer"



projector.com

Projector – Create to captivate

Wether you're building your brand solo or with a team, Use projector to craft well designed stories that will elevate your presence and captivate any audience.

@Casey

great story about regret. my fav part is about how statistically we regret the things we don't do far more than the things we do. great
